

MASTER UNIT SCHEDULE 2023-2026 (Indicative only)

BIBLE & THEOLOGY | Morling College including Vose Campus

Scheduled units are indicative only and are provided for long-term planning purposes. The definitive list of unit offerings will be published in July each year for the coming calendar year, in the document titled: Bible & Theology Unit Offerings. If there is a discrepancy between this document and the unit offerings document, **the unit offerings document will always be correct**. When enrolling for an upcoming semester, please use the unit offerings document and/or the on campus timetable to ensure unit codes and delivery modes have the latest information.

This is a list of the units Morling College plans to offer in 2023-26, covering campuses in Sydney and Perth.

Guide to the unit delivery modes

The unit schedule uses the following symbols for the different modes available:

Face-to-face options: (If this mode is chosen, it is a requirement that you attend at least 80% of class hours to successfully complete the unit. Ideal for those who live near the campus and are available at the scheduled time.)

SYD-DAY

Sydney: daytime class, face-to-face on our Sydney Campus in Macquarie Park, NSW.

SYD-EVE

Sydney: evening class, face-to-face on our Sydney Campus in Macquarie Park, NSW.

PER-DAY

Perth: daytime class, face-to-face on our Perth (Vose) Campus in Bentley, WA.

PER-EVE

Perth: evening class, face-to-face on our Perth (Vose) Campus in Bentley, WA.

MNL

Monday night live: evening class via livestream (or in person from the livestreaming location, usually Morling South in Hurstville, NSW)

Other delivery modes:

LS

Livestreamed video lectures. Lectures which are open to live, interactive attendance via the Zoom platform will display this icon. If this mode is chosen you are required to attend 80% of livestream class hours. This is ideal for those who are unable to get to the campus but are available at the scheduled time and wish to interact with the lecturer and other students. Check the face-to-face timetable for livestreamed lecture times. Further, a small number of units will *only* be available as livestreamed lectures. **Nearly all Sydney-based lectures are livestreamed. The Perth livestream schedule will be determined year-by-year, so will not be reflected in this four-year indicative planner.**

RV

Recorded video/audio lectures (watching/listening to a recording of the lecture at a different time). This is a good option for those who are unavailable at the lecture time, and prefer watching/listening to full lectures rather than materials specifically developed for online learning. (Not all units will be available in this delivery mode due to the confidential nature of some of the content/discussion.)

ONL

Online materials (e.g. short videos, lecture notes, curated readings, discussion forums). Most online units also have several real-time, online virtual classroom sessions focused on discussion and assignments. This is a good option for those who are unavailable at the lecture time, and prefer materials specifically developed for self-direct online learning. Any RV lectures are also available to ONL students.

ONL +

Online Plus. An online unit with frequent livestreamed sessions which are integral to the unit content. Attendance in real time OR watching the recording of those sessions is compulsory.

S

Semi-intensive: several half/full days of lectures spread over a semester (or full year for some units), most with an online component to be completed individually. The face-to-face component may be available via livestream if the livestream icon is displayed.

I

Intensive: several consecutive full days of face-to-face lectures with an online component of between 20% and 60% to be completed individually. The face-to-face component may be available via livestream if the livestream icon is displayed.

Capstones and Specialised Studies Units (level 9): Units marked with a C are available as capstones at level 9 (enrol in XX205-912 where XX is field code). Units marked with an S are available as Specialised Studies units at level 9 (enrol in XX206-912).

Units available at levels 5/6/8: The level 6 offering of these units is designed for students enrolled in the Bachelor of Divinity. They are not able to be used by students in other awards to increase the number of introductory units they can do. These units are identified by placing the level 6 in parentheses, e.g. 5 (6) 8.

Special information for LA units

To satisfy the M.Div. language requirements, you will need to do (1) LA003 & LA004 + 2 Hebrew exegesis units in OT, OR (2) LA005 & LA006 + 2 Greek exegesis units in NT.

To satisfy the B.Th. language requirements, you can do (1) LA003 & LA004, OR (2) LA005 & LA006, OR (3) LA001 & LA002. The third option does not allow you to take original language exegesis, which is not required in the B.Th. Further, our advice is that if you take one of the first two options, it makes sense to do at least two units of original language exegesis to reap the benefits of your language study.

Your choice of study level is also important for LA003,4, 5, and 6. Within a degree, take the unit(s) at level 6. Within a Grad. Cert., Grad. Dip., or Masters award you must take it at level 8. Level 8 contains some more advanced language concepts, and requires some limited translation from English back into Hebrew/Greek.
